

# TREELINE SERVICES LTD QUALITY AND ENVIRONMENTAL MANUAL

## Appendix 2 – Quality and environmental policy statement

Treeline Services Ltd is a leading provider of Arboricultural Contracting Services and considers respect for the environment an important business responsibility and encourages all employees to take an interest in the protection of the environment.

Treeline Services Ltd will therefore:

- Ensure that the company complies with appropriate legislation and regulations.
- Identify and evaluate the environmental aspects associated with all Arboricultural operations in order to control and reduce any environmental impact.
- Ensure the responsible use of natural resources, minimise waste and energy consumption and prevent pollution.
- Implement the training of employees to ensure that they are environmentally aware and that neither they, the community, nor the environment are exposed to harm as a result of Treeline Services Ltd operations.

In meeting the above, Treeline Services Ltd also aims to achieve high levels of customer satisfaction by delivering reliable, high quality, cost effective output materials and services within agreed timeframes thus generating the returns required to:

- Reward any stakeholders for their investment.
- Reward our Employees for their efforts.
- Provide the funds to support future operations and company growth.
- Provide a stable and enjoyable work-place for the entire team.

Treeline Services Ltd is committed to the continual improvement of its performance by the monitoring of quality and environmental issues and through involvement with customers, suppliers, regulatory authorities and the community.

To assist with the above, Treeline Services Ltd has implemented an integrated Management System that meets the requirements of ISO 9001:2015 and ISO 14001:2015.

Compliance and improvement is monitored by process measures and internal audits and is maintained by the timely implementation of preventive and corrective actions.

Meeting these standards is the responsibility of the entire team. Treeline Services Ltd is therefore committed to working with all necessary persons to support effective operation of the company's Quality and Environmental Management System and the achievement of goals and of specific Quality and Environmental Objectives.
